Conversation activities for high school students

This resource includes over 170 unique and fun conversation starter task cards. They are the ideal mix of questions regarding self, home, friends, school, family, and beliefs. Counselors, social workers, and teachers can use these discussion cards as conversation starters or ice breakers to help students share information, open up, and begin to form positive relationships. You can ask the questions yourself or allow students to take turns asking questions from the task cards. It can be extra funPage 2Use these 180 Morning Meeting Conversation Starters Questions for Kids & Teens every day of the school year! Funny, interesting, thoughtful & just plain fun questions to ask to get to know your class! Use as daily Morning Meeting questions, activities, ideas, or greeting. Use as conversation topic questions for kids, discussion questions for kids, games. Check them out to start deepPage 3This product has students count, sort, and graph candy conversation hearts. Included in the packet: -2 options for color borders graphs -4 options for baw border graphs -blank graph to fill in your own colors -Differentiated questions for K-1 students *Note: The colors included in this are: pink, green, yellow, orange, purple and white as one option and then pink, green, yellow, orange, purple, and blue as thPage 4Your students will have supports when initiating conversation with peers and gain more information about peers. I created these with visuals to hopefully help. There are 8 visuals included. Topics include: Family, Friends, Birthday, Hobbies, Weekend, Food, Summer, and School. If you have specific suggestions from MORE conversation cards, send me a message here on Page 5Teach special education, elementary, middle or high school students how to make on topic social comments during conversation by ECHOING their conversation partner with appropriate social skills! This is a 115 page, no prep, google slides lesson with large text, visuals, custom video, comprehension questions and multiple post-test activities made for students with disabilities (autism, intellectual disabilities, down syndrome, etc.). This can be used for in person, virtual, remote or distance leaPage 6I made these visuals for one of my students who is great at saying the basic- hi, how are you? I wanted to advance the skill of having a conversation with others to getting to know someone more in depth. I made these flash cards to help the student when socializing with peers. The topics are all age appropriate for middle school and up. There are a total of 24 cards with topics such as music, celebrities, sports, movies, shopping, the weekend, and school. All topics have 4-6 questions to ask a pPage 7Digital, self-checking BOOM Cards for Classical Conversations Cycle 3 Week 2 is a great way to assess student understanding of Latin, timeline song, history sentence, math, English grammar, geography and science. No need to print, laminate or cut! Click on the preview for a FREE playable preview for a FREE playa Student progressPage 8ESL conversation lesson about going to the clinic or hospital. Lesson includes vocabulary power point, with practice sentences, review worksheet and a dialogue card the students can use to role play. Instructions for use also included. Vocab: clinic, doctor, patient, hurt, help, cut, stomachache, toothache, headache, body parts, bandagePage 9Good Morning Scripted Conversation turn taking and knowing what to say. It is colorful and easy to use. customized versions of Unity 84 and 128 can be ordered at Phoenix-vosburg.com or an assembled one can be ordered their also and shipped. City versus Country Spanish Conversation Comic Presentation-An Original by Ernesto Clases Divertidas Description: This conversation comic presentation has topic, setting and character slides. It has between 20 and 24-character exchanges spread over 7 to eight slides. It also has 5 pictures to define, 5 multiple choice questions, 5 fill in the blank sentences, and 5 correct or incorrect statements. The answer key is on the last slide. Use Suggestions: Project the presentation and have students takeConversation MATtersby Add depth to small group discussions and extend your students' listening and speaking skills with these discussion mats and role cards. Great for literature circle discussions and critical thinking in safe ways. In time, your students will automatically summarize their ideas, make relevant connections, consider different viewpoints, and justify tIn this speaking Spanish tecnología board game, students practice the vocabulary of the technology and family unit. This is a fun, engaging activity to help students practice conversation or talking activities in pairs. It includes 26 questions. The file has two pages for the board game (teachers have to glue both parts to put together the game) and one page of simple instructions. The board game includes questions about social media use, how technology affects family relationships and alThis is a PowerPoint lesson in editable PPT format with worksheets and teacher's notes. This conversation lesson, aimed at high schoolers and ESL adults, aspires to create a debate about the pros and cons of charity in its various forms and models and to discuss what, if any, are the problems with charity as we know it. Charity is something that seems pretty straightforward. Not everyone gives to charity, but most people and to discuss what, if any, are the problems with charity as we know it. Charity is something that seems pretty straightforward. Not everyone gives to charity, but most people and to discuss what, if any, are the problems with charity as we know it. Charity is something that seems pretty straightforward. Not everyone gives to charity, but most people and to discuss what, if any, are the problems with charity as we know it. Charity is something that seems pretty straightforward. Not everyone gives to charity, but most people and to discuss what, if any, are the problems with charity as we know it. Charity is something that seems pretty straightforward. Not everyone gives to charity, but most people and to discuss what, if any, are the problems with charity as we know it. Charity is something that seems pretty straightforward. believe it's a good and moral thing to do. In this lesson, we look at scientStarting conversations, and keeping them going! BOOMCardsby CLICK HERE TO PREVIEW!This deck focuses on the steps to starting and maintaining a conversation. Includes: Identifying a topic to converse about, categorizing informal/formal greetings, identifying related comments/questions, identifying 'hints' to determine if a conversational partner is interested or uninterested Clipart: Bunny on a cloud Hughes Design Skills: Varied Response Stylesby When working on social pragmatics, it can be difficult to explain the natural flow of a conversation to your students. To explicitly teach the basic structures of turn taking in a conversation, use this VARIED RESPONSE STYLES tool. This tool outlines 3 types of common response styles used in every conversation. -Affirmative Comments -Building Comment great stress-buster, bell-ringer, brain-break, warmer, filler, or fast-finisher activity? What would you invent if you could invent anything? This printable worksheet gets students answering that question! What will their invention do? How will it work? Does it have any side-effects? Answers can be as creative and imaginative or realistic and scientific as you like.This activity lends itself to creativity, but also the practice of important language features such as:the vocabulary ofSpanish to be used in pairs with useful vocabulary included on sheet. Teacher's Notes: What do teenagers want to do more than anything else in the world? TALK! So give them the chance in Spanish. Provide them a safe environment to express themselves, and they will start to recycle grammar constructions and vocabulary used from "el papelito de preguntas" and use them in other communication in the Types: English as a second language - conversation cardsby We are delighted to present the latest addition to our ESL range. These conversations about a range of different topics and have been used successfully with adult learners of English of all levels. The cards contain differentiated questions which are suitable for small and larger groups. They can be laminated for repeated use and are sure to spark off all sorts of authentic and enjoyable conversation Mixers! Activity Information: Conversation Mixers are a great way to have students explore language in a dialogue context! Each conversation mixer starts with a back-and-forth conversation that is broken into 12 quote bubbles - like a text message! Students have to use language comprehension and logic to figure out the order for the conversation, looking for context clues and matching interrogatives to logical responses. Once a group correctly assemb 0:29Is it a Good Response {Topical Conversation} by This deck is designed to target topical conversation (statement-statement level). Read both statement-statement level). Read both statement level). The student will select the correct answer by tapping on the yes/no symbols. This deck is a multiple-choice deck. PREVIEW HERE: Is it a Good ResponseHow do I get this digital resource? It's a piece of cake! After purchasing, you will receive a PDF file with the link to the task card deck on the Boom Learning wPage 10This PowerPoint covers speaking skills surrounding the topic of Motivation! Designed with a structure to encourage maximum classroom and 1-on-1 conversation, students are given prompts and key terms to get speaking! Help your students engage the world around them in English and give them the confidence to conquer any upcoming speaking exam! Don't forget the companion Worksheet!Conversation Course DescriptionLevel - B2+This ESL preintermediate/intermediate lesson is designed as a 100% fully readWorksheet DescriptionsThis Worksheet covers speaking skills surrounding the topic of Motivation! It is the perfect companion to the PowerPoint lesson and can be handed out in class to follow along during the lesson, or as a independent assignment afterwards. This ESL worksheet is designed for the busy teacher looking to provide a physical handout to engage their students. This activity can be completed in small groups or individually in the classroom or can also be assigned as homework. Answer kSpanish Travel and Vacation Guided Conversationsby Do your Spanish students need some help with interpersonal speaking? Are they struggling to have conversations in Spanish? Let's give them some guided conversations, so both students will have a chance to ask and answer questions in a conversational way. These conversations focus on travelTypes: This is the Spiritual Wellness means finding purpose, value, and meaning in life. The rest of the unit covers topics such as emotional, intellectual, physical, and social wellness. The philosophy behind these lessons is structured freedom. The teacher is a facilitator that provides the basic framework while students have the freedom to discover their own meaningful learning. As a result, these lessonsThese conversation starter slides in PDF format are a great way to encourage students to talk -improving their language, conversation, listening, and social skills. This set includes 50 questions to get students engaged in thinking and conversing. There is one topic with corresponding visual on each slide, and it is intended to either be projected on a screen in the classroom or shared on the teacher's screen for classes doing online, remote learning. These cards can be used for a variety of puSHOPPING - Conversation Board Gameby SHOPPING - Conversation Board GameConversation board games for ESL students are a great in-class activity and do not require much preparation. All you need is a printout of the game, counters and a dice. The students roll the dice and have to answer the questions on the for ESL students are a great in-class activity and do not require much preparation. All you need is a printout of the game, counters and a dice. The students usually love games, and conversation board games are an excellent way to revise or start a lesson, unit or topic. If you like my Conversation Board Game, check out my TPT Store. There you will fiPage 11These questions included in the set. The questions cover: making connections, determining importance, visualizing the text, summarizing the text, making inferences, and thinking deeply about a story. What can the cards be used for? These Ask It! Cards can be used for guided reading groups, book clubs, literature studies, reading responses, whole class novels, hoPage 12Qué tienes en tu mochilaby Conversation for Spanish I and review for Spanish II and III. Communicative activities to catch your students' attention! This is a great powerpoint to get your class talking in Spanish. It's creative and combines speaking with writing activities. Keep an eye out for the full 48 slide version, 5 lessons / 1 week. Enjoy! Sra. MarNumber conversations can be built into your daily schedule as short, daily exercises aimed at building number sense. Number sense is the ability to understand numbers and quantities, to use numbers flexibly, and to perform calculations mentally. According to research, students in the United States lack number sense. Traditionally, students have relied on rote algorithms to complete math problems, without really understanding what they are doing. Students who have strong number sense can solve prNumber conversations can be built into your daily schedule as short, daily exercises aimed at building number sense is the ability to understand numbers and quantities, to use numbers flexibly, and to perform calculations mentally.
